Community Resource Federal Credit Union will hold a bottle drive for local humane society

(Latham, NY) Community Resource Federal Credit Union's Employee Charity Committee will hold a bottle recycling drive on Saturday, May 15 from 9:00 a.m. to noon at its 20 Wade Road, Latham office. The Credit Union is accepting soda, beer, and water bottles of all types to be donated to the Mohawk & Hudson River Humane Society in Menands, NY. The bottles will be sorted by Credit Union employees and delivered to the Humane Society on the same day.

"People can avoid the messy and annoying task of redeeming their bottles by donating them to the Mohawk and Hudson River Humane Society at our bottle drive. The Human Society relies on bottle redemption for \$48,000 of its operating income and it's an easy way for people to help out without donating money," said Wendy Meola, Director of Marketing and Chairperson of Community Resource Federal Credit Union's Charity Committee.

Community Resource Federal Credit Union is a community credit union serving those who live, work, worship, or attend school in Albany County and their families. Community Resource provides friendly service, outstanding rates and low fees on a full range of financial products. Community Resource has \$64 million in assets and 6,100 members.
